Insurance Representative

Insurance Representatives are responsible for the timely follow up and resolution of accounts with insurance companies and other third-party payers. Accounts are evaluated for payment opportunities based on timely filing and other criteria. Insurance Representatives interact with various insurance carriers, attorneys, or other authorized agents, so strong communication skills and attention to detail are a must. Prior experience in a healthcare setting such as a hospital business office or physician office required.

Requirements Strong communication and computer skills

Prior collection or sales experience preferred but not required

Prior experience in a healthcare setting such as a hospital business office or physician office required.

High School Diploma or equivalent required

Must pass a pre employment background check
